

Schematic Proposal-Synopsis Outline JS

(I have received this document from one of my colleagues few years ago by email. This wonderful document is believed to be prepared by my Doctoral Supervisor JS (Jeta Sankrityayana). Considering the interest of the researchers, I am sharing this document with all concerned through my personal website <http://amlan.co.in>. I did not make any change either in the file name or in the content.)

Part A: SHORT & LONG STATEMENTS OF PROBLEM ISSUES

A.1 Short Statement (in 2-3 lines):

A.2 Long Statement including Problems Perspective (Short paragraph):

A.3 Related Problems discussed in the Literature Review (RM L II B):

Any Others:

A.4 List of 3 Main Literature References which are closest to the Proposed Research Problem.

A.5 Universe of Study (national/state-level/regional etc.) for the Proposed Research Problem.

PART B; THEORITICAL & POLICY FRAMEWORK OF PROBLEM

B.1 Broad Classification of Problem Area:

B.2 Brief Justification for Classification:

B.3 Categorisation of Problem:

THEORITICAL CHARACTER:

PROBLEM DOMAIN:

STUDY APPROACH:

METHODOLOGICAL APPROACH:

B.4 Brief Justification for Categorisation:

PART C: LISTED OBJECTIVES OF THE STUDY

PART D: RESEARCH QUESTIONS

D.1 Principal Research Questions (in ordered question format)

D.2 Other Research Questions (in ordered question format)

D.3 Physical/ Contextual Location in which the Research Problem will be studied:

Area Name/Context Name:

Study-Universe:

PART E: LIST OF RESEARCH HYPOTHESIS (in ordered statement format)

Part F. RESEARCH METHODOLOGY

Schematic Proposal-Synopsis Outline JS

(I have received this document from one of my colleagues few years ago by email. This wonderful document is believed to be prepared by my Doctoral Supervisor JS (Jeta Sankrityayana). Considering the interest of the researchers, I am sharing this document with all concerned through my personal website <http://amlan.co.in>. I did not make any change either in the file name or in the content.)

F.1 Is the study of Primary/Secondary nature?

Explanation:

F.2 Primary Sources of Data (list):

F.3 Secondary Sources of Data (list):

If secondary data is to be used, list names of principal data sources:

F.4 Nature of Secondary Data:

If the study is based on secondary data, define nature of study:

COMPARATIVE STATIC: (Explain)

F.5 If the study is based on primary data, define study type:

F.6 Whether a sample study will be undertaken:

Possible Location(s) of sample study:

F.7 Does the study involve comparison of samples from:

(a) SAME POPULATION

Nature of Comparison (Short Sentence):

(b) SEPARATE POPULATIONS:

Nature of Comparison (Short Sentence):

F.9 Location to be studied and method of sample drawn, if any:

F.10 Whether Numerical/Statistical methods are to be used:

**1. Name
Description:**

**2. Name
Description:**

F.11 Whether the study is Descriptive/Historical in nature

[Description]

Exact time-frame to be studied:

List sources of Descriptive/Historical information:

Method of Descriptive/Historical Analysis:

F.12 Whether the study involves Comparative Policy Studies:

[Description]

Part G. PROPOSED CHAPTERISATION (List Chapter-names with outline content)
