

AMLAN MAJUMDER

YoB: 1971, Gender: Male, Caste: General, Nationality: Indian

PRESENT POSITION

Associate Professor: 10 October 2018 - Present

Department of Economics, University of North Bengal, P. O. North Bengal University, Raja Rammohunpur, DT. Darjeeling, Pin. 734 013, West Bengal, India. Web: www.nbu.ac.in.

My activities include mainly teaching and research with some administrative works.

Covers some courses / modules on (i) History of economic ideas, (ii) Economic development and infrastructural policies, (iii) Economic Growth and Globalisation under M. A. in Economics programme.

Covers some courses / modules on “Research methodology” under M. Phil. & Ph. D. Course-work programme.

Guiding M. Phil. and Ph. D. Scholars as Mentor and/or Supervisor.

Involved in research activities in Economics and Demography with special focus on measurement issues in economic inequality and human development, economics of healthcare utilisation, epidemiology etc.

Used econometric techniques (multiple regression, logit regression, multiple classification analysis, deterministic and stochastic frontier approaches etc.) and fuzzy logics extensively in large-scale survey data analysis with programming in SPSS.

Render administrative services as a member of various statutory and Departmental committees.

PREVIOUS POSITION

Assistant Professor of Economics: 16 April 2001 – 09 October 2018

Dinhata College [affiliated to the University Grants Commission under section 2-f & 12B and the Cooch Behar Panchanan Barma University]. Address: P. O. Dinhata, DT. Cooch Behar, West Bengal, Pin. 736 135, India. Web: www.dinhatacollege.ac.in.

My activities included mainly teaching and research with some administrative works.

Taught various courses on Economics and Commerce in undergraduate programmes.

Worked as Guest Teacher in the 4th Semester 2017 at the Cooch Behar Panchanan Barma University – Department of Zoology covering Biostatistics in M. Sc. in Zoology.

Worked as Guest Teacher in the 1st Semester 2018 at the Cooch Behar Panchanan Barma University – Department of Economics covering History of Economic Thought in M. A. in Economics.

HONORARY POSITION

CICOPS Fellow (Ambassador of the University of Pavia): 2012 - Present

CICOPS-Centre for International Cooperation and Development, University of Pavia, Corso Strada Nouva n. 65, 27100 Pavia, Italy.

My role is to act as the Ambassador of the University of Pavia in my home institution helping them in the process of spreading information about University of Pavia and CICOPS activities, which may include cooperation projects promoting mobility towards Pavia and receiving the academics and students from Pavia who might come to my institution. Fellowship has been recognised with a diploma awarded by the University of Pavia.

RESEARCH GUIDANCE

Supervised one Doctoral Research of the Department of Economics, University of North Bengal with Prof. Sanchari Roy Mukherjee as Co-Supervisor from 15 January 2013 [Title of research: Burden of Diseases and Its Impact on Utilisation of Healthcare & on Out-Of-Pocket Health Expenditure by Households in Siliguri Municipal Corporation Area (SMCA), West Bengal]. Date of submission: 03 November 2017; Date of approval/award: 01 August 2018.

Supervising one Research Scholar of the Department of Economics, University of North Bengal for the degree of Ph. D. from 25 December 2016. Broad area of research: Self-reported Morbidity and Health Seeking Behaviour of Women in the Reproductive Age in the District of Jalpaiguri..

Assisted one Postdoctoral Research of the Department of Demography, Population Research Centre, Faculty of Spatial Sciences, University of Groningen, The Netherlands from 15 January 2015 to 26 November 2015 (Topic of research: Multidimensional child growth in India from the perspective of Capability Approach).

Assisted Doctoral Researchers at the Faculty of Sociology, Kansai University, Osaka during my tenure of Postdoctoral Research for one year from 22 November 2010.

ACADEMIC BACKGROUND

Doctor of Philosophy (Ph. D.) in Economics

University of North Bengal, Darjeeling, India

Enrolment: May 2003, Submission: May 2006, Approval: 03 July 2007

Title: Economics of Health Care Utilisation: A Study of Perceived Morbidity and Health Seeking Patterns in Cooch Behar and Jalpaiguri districts of North Bengal

Supervisor: Prof. Jeta Sankrityayana; Co-Supervisor: Prof. Sanchari Roy Mukherjee
The study is based on primary data collected through interview technique. It has three facets: morbidity analysis (examination of epidemiologic profile of the region); study of preference for a care (applying qualitative anthropological technique); and estimation of contribution of different need, predisposing, and enabling factors towards utilisation of a care (multivariate analyses using binary logistic regression models and multiple classification analysis).

Master of Population Studies (Grade: 'A')

International Institute for Population Sciences, Mumbai, India (1998-1999)
(Jointly sponsored by the United Nations and the Government of India)

Gained thorough familiarity with the techniques of demographic analysis purely in an interdisciplinary environment. Trained in quantitative and qualitative research techniques along with various research and sampling designs as well as large-scale survey data analysis using SPSS.

Courses: Statistical methods for Population Studies, Social Science Concepts & Major Social and Economic Issues in India, Introduction to Demography, Sources of Demographic Data, Nuptiality, Fertility, Mortality Morbidity and Reproductive Health, Population and Development, Migration Urbanisation and Spatial Distribution, Dynamics of Age-Sex Structure & Population Projection, Population Policies, Programme Management and Evaluation, Research Methodology, Computer Applications to Population Studies, Group Work for Survey Research, Seminar Paper.

Specialisation: 'Actuarial Statistics and Demographic Models'

Seminar paper: A Critical Review of Bongaarts's Aggregate Model and Development of an Index as a Suggestive Measure; Supervisor: Prof. F. Ram.

Master of Arts in Economics (1st Class & 1st position in the University)

University of North Bengal, Darjeeling (1994-1996)

Courses: Public economics, History of economic thought, Microeconomics, Macroeconomics, Statistics, Mathematical economics, Indian economy, Development Economics, Continuing Evaluation (Seminar and GD based on 'Economic Survey to the households of North Bengal').

Specialisation: 'Resource economics and Demography' and 'Econometrics'

Term paper: India's new economic reform: role of the public sector; Guide: (Late) Prof. P. C. Sarkar.

Bachelor of Arts with Honours in Economics (2nd Class & 1st position in the University)

A.B.N. Seal College, University of North Bengal, Darjeeling (1989-1993)

Courses: Economics (Microeconomics, Macroeconomics, Indian economic history and problems, Statistics, Mathematical economics, Public finance & international trade, Development economics, Principles of Marxian economics & economics of Socialism, Selected histories from the economic development of Japan, UK, USSR), Mathematics, and Political Science.

Higher Secondary (12th Standard / Intermediate) (Second Division)

Manindra Nath High School, Cooch Behar (under the West Bengal Council of Higher Secondary Education), West Bengal, India (1989)

Main subjects: Bengali, English, Physics, Chemistry, and Mathematics

Secondary (Madhyamik, 10th Standard) (First Division)

R. G. L. High School, Pundibari, Cooch Behar (under the West Bengal Board of Secondary Education), West Bengal, India (1986)

Main subjects: Bengali, English, Physical Science, Life Science, Math, History, Geography

OTHER EXAMINATION / QUALIFICATION

Qualified UGC-NET in Economics, June 1998

[National Eligibility Test for Lectureship in Universities and Colleges in India conducted by the University Grants Commission: 618 / (NET-JUNE, 98), Roll No. D610095]. The validity of this certificate is permanent.

RESEARCH AND TRAINING

JSPS Postdoctoral Fellow: (22 November 2010 - 21 November 2011)

Faculty of Sociology, Kansai University, 3-3-35 Yamate-cho, Suita-shi, Osaka 564-8680, Japan (With "FY 2010 JSPS Postdoctoral Fellowship for Foreign Researcher", Japan Society for the Promotion of Science)

My activities included mainly research at postdoctoral level on Capability Approach focusing measurement issues with human development and economic inequality with some assistance to researchers at doctoral level.

Host researcher: Prof. Takayoshi Kusago.

Visiting Fellow, India-China Cultural Exchange Programme

Chinese Academy of Social Sciences, Beijing, China (21 February-21 March 2008)
(Under the bilateral MOU of academic exchange between India and China)

During this trip I have visited a number of Universities (Peking University, Lanzhou University, and Tianjin Normal University), Institutes and Centres in China in regard to research on capability approach and multidimensional assessment of well-being in the context of China and India.

Visiting Fellow

Department of Public and Territorial Economics, University of Pavia
Corso Strada Nuova n. 65, 27100 Pavia, Italy (10 October-21 December 2005)
(With a Scholarship from the Centre for International Cooperation and Development - CICOPS, Italy)

Worked on multidimensional assessment of well-being using Fuzzy Logic and Econometric techniques within the framework of Amartya Sen's Capability Approach.

Supervisor: Prof. Enrica Chiappero-Martinetti.

Research Scholar

Indian Institute of Technology Delhi, Department of Humanities and Social Sciences, Hauz Khas, New Delhi 110 016, India (22 July 1999 - 12 April 2001)

(With IIT Delhi Teaching / Research Assistantship)

My activities included course-work and research with some teaching and academic work.

Completed courses on Social Research Methods, Environmental Ethics, and Planning and Economic Development. Reviewed literature on health economics, developed research proposals on health services utilisation in Indian context, and completed one minor research project on primary healthcare system in India. Performed eight hours of academic work per week and occasionally delivered lectures on population and development related issues at undergraduate and postgraduate levels.

Supervisor: Prof. V. Upadhyay.

WORKSHOPS & SYMPOSIUMS ATTENDED

University of North Bengal (UGC Academic Staff College), Darjeeling, India

UGC sponsored Refresher Course in Law (Inter-disciplinary) (05-25 February 2015)

University of North Bengal (UGC Academic Staff College), Darjeeling, India

UGC sponsored Refresher Course in Philosophy (Inter-disciplinary) (04-24 June 2013)

Institute of Legal Studies, Kansai University, Osaka, Japan

International Symposium on 'Knowledge and Innovation in South Africa and India:

Protection and Usage of Traditional Knowledge for Economic Development' (16 July 2011)

Japan Society for the Promotion of Science, Tokyo, Japan

Orientation Programme for JSPS Postdoctoral Fellows (02-04 March 2011)

Centre for the Study of Contemporary India, Ryukoku University, Kyoto, Japan

International Symposium on 'Voices for Equity: Minority and Majority in South Asia' (22-23 January 2011)

University of Jordan, Amman, Jordan

Workshop on Capability Approach (20 September 2010)

University of Calcutta (UGC Academic Staff College), Kolkata, India

UGC sponsored Orientation Programme (18 August-13 September 2008)

Vassar College (Department of Economics), Poughkeepsie, USA

Symposium under the Faculty Development Programme (21 September 2007)

Ramkhamhaeng University, Bangkok, Thailand

Workshop on Feminist Economics (28 June 2007)

University of Groningen, Groningen, The Netherlands

Summer School on 'Research Methods in Poverty and Well-being' (25-29 August 2006)

Kings College (Department of Land Economy, University of Cambridge), Cambridge, UK

Workshop on 'Biodiversity and Economics for Conservation' (01-03 September 2004)

V.V. Giri National Labour Institute, Noida, India

Summer School on 'Research Methods in Labour Studies' (22 September - 12 October 2003)

PUBLICATION: (Economic inequality & Human development)
